

THE ALLEN FOUNDATION INC.

2016 ANNUAL REPORT

www.allenfoundation.org

LETTER FROM THE CHAIR

It is gratifying to look back on 2016 and note that over 500 grant requests to improve human nutrition were submitted for possible funding to the Allen Foundation. This signals that human nutrition is the focus of growing study and program development across the nation and around the world. Allen Foundation resources were able to fund thirty one outstanding requests during 2016.

In the field of nutrition education, fourteen grants were made. Among them were grants to two breast feeding initiatives, “A Juvenile Justice Center Culinary Garden” and a “Rethink Your Drink program.”

Three promising academic research projects received support: (1) “The identification of the trans-generational role of high maternal linoleic acid consumption in programming disease risk,” (2) “An investigation into the impact of maternal obesity on iron status and adverse pregnancy outcomes” and (3) “Whether supplemental leonine can offset disuse- induced muscle deterioration in older individuals.”

Fourteen humanitarian feeding programs were granted funds. These included “A Fresh Food Distribution Partnership,” “A Cancer Prevention and Management Nutrition Services for the Underserved Program” and “A Meals on Wheels” program for senior citizens.

The Allen Foundation is pleased to announce that its website has been moved to Saginaw Valley State University. SVSU will provide updates and support in the future. Much appreciation is due the University for taking on this key function for the foundation.

Regretfully, we lost trustee, W. James Allen who passed away in 2016. Jim served the foundation well for more than 40 years. As always, I want to express my deep appreciation for the time, experience and expertise that our trustees have donated to the work of the Allen Foundation and the efforts of our administrative assistant Kathy McDonald. You are the heart of this important charitable endeavor.

Sincerely,

Gail E. Lanphear, Chair

GRANT APPLICATION PROCEDURE

The Allen Foundation Inc. operates under the laws of the State of Michigan, with offices in Midland. In order to be considered for an Allen Foundation grant, you must be a non-profit organization, and be able to provide us with a copy of your federal Internal Revenue Service certification of 501(c)(3) tax-exempt status. Academic research under an Allen Foundation grant should be conducted under the leadership of a principal investigator who is a full-time regular faculty member with tenure or on tenure track. The foundation does not directly administer the programs which it funds. Recipients are asked to submit yearly progress reports and a financial accounting concerning the expenditures of the foundation grant.

Grants are strictly limited under the terms of the charter to projects that benefit programs for human nutrition in the areas of health, education, training, and research. The foundation requires electronic submission of all unsolicited applications for consideration for possible funding. Please go to: <http://www.allenfoundation.org/> and follow the instructions for filing a grant application online. The next deadline for submission of proposals is December 31, 2017. This deadline means that any proposal submitted electronically on or after January 1, 2018, will be considered for possible funding in 2019. The decisions of the board of trustees will be posted on the foundation's website in June of each year. Because of the number of proposals received and the limited resources of the foundation, applicants should never view possible declinations to fund their proposals or delays in reviewing their proposals as judgments on the actual merits of their proposals.
